Rep. Danou Appointed to the Wisconsin Environmental Education Board

MADISON - Rep. Chris Danou (D-Trempealeau) issued the following statement regarding his appointment to the Wisconsin Environmental Education Board located in Stevens Point:

“Wisconsin has a proud history of promoting environmental awareness that contributes to our unique recreational opportunities and quality of life,” said Danou.

“The Wisconsin Environmental Education Board has done a remarkable job promoting environmental education within all segments of our society. Through their efforts and grant program, communities, organizations and schools across Wisconsin have enhanced their environmental education programs to teach the importance of maintaining an ecologically and economically sustainable environment,” Danou said. “I am honored to be on the Wisconsin Environmental Education Board and I look forward to continuing its mission of promoting environmental education.”

Prior to his election to the Wisconsin State Assembly in 2008, Rep. Danou earned a Master’s degree in Wildlife Biology from the University of Wisconsin-Stevens Point. Rep. Danou is currently a member on the Assembly Natural Resources and Sporting Heritage Committee and serves as the Ranking Member on the Environment and Forestry Committee.
